

ONYX-E 4800/4880 INK

EPSON 4800/4880 COMPATIBLE

ONYX-E 4800/4880 Ink Cartridge two piece system:

- 220mL Black ink single use inner tank
- Individual resettable outer cartridge shell in colors: (Photo Black, Light Black, Light Light Black, Cyan, Magenta, Yellow, Light Cyan and Light Magenta)

TECHNICAL DESCRIPTION

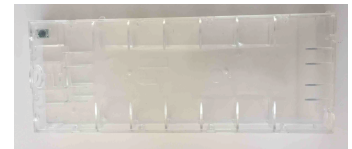

The EPSON 4800 and 4880 are 8 color printers. The system we use will print Black through all 8 heads. To use, snap the 220mL Black ink single use bladder tank into resettable outer cartridge shell and insert into corresponding cartridge bay. Once depleted, dispose of the 220mL Black ink single use bladder tank and replace with a new one. *(Note: Reset color chip insert by using the chip resetter device)*

PACKAGING

Product Description	Part Number
4800 compatible clear outer cartridge shell with Photo Black chip	28008-PKX
4800 compatible clear outer cartridge shell with Light Black chip	28008-LKX
4800 compatible clear outer cartridge shell with Light Light Black chip	28008-LLK
4800 compatible clear outer cartridge shell with Cyan chip	28008-CNX
4800 compatible clear outer cartridge shell with Light Cyan chip	28008-LCX
4800 compatible clear outer cartridge shell with Magenta chip	28008-MAX
4800 compatible clear outer cartridge shell with Light Magenta chip	28008-LMX
4800 compatible clear outer cartridge shell with Yellow chip	28008-YEX
4880 compatible clear outer cartridge shell with Photo Black chip	28009-PKX
4880 compatible clear outer cartridge shell with Light Black chip	28009-LKX
4880 compatible clear outer cartridge shell with Light Light Black chip	28009-LLK
4880 compatible clear outer cartridge shell with Cyan chip	28009-CNX
4880 compatible clear outer cartridge shell with Light Cyan chip	28009-LCX
4880 compatible clear outer cartridge shell with Magenta chip	28009-MAX
4880 compatible clear outer cartridge shell with Light Magenta chip	28009-LMX
4880 compatible clear outer cartridge shell with Yellow chip	28009-YEX
4800/4880 compatible 220mL Black Ink inner bladder tank	28010-22K
4800/4880 compatible 220mL Clear Flush inner bladder tank (for RIP setup that uses Black head only film printing)	28010-22C
4800/4880 compatible 220mL Pink Cleaner inner bladder tank (for flushing system and unclogging nozzles ONLY)	28010-22P
4800/4880 compatible chip resetter device (Used to reset chip on clear outer cartridge shell after every use)	28010-RES
