

Walk Away Haze Remover™

An Ink Stain and Stencil Residue Haze Remover with Unrestricted Dwell Time—Can be Coated and Left to Dry on the Screen!

PRODUCT DESCRIPTION

Walk Away Haze Remover is a thick liquid haze remover effective against most ink stains and stencil residues. **Walk Away Haze Remover** is formulated to react as it dries on the screen, so that it can be applied and left to work for hours—even overnight! Lengthy dwell times with **Walk Away Haze Remover** will not harm polyester, nylon, or stainless steel mesh (avoid metalized polyester). After initial drying, if additional reaction time is required, **Walk Away Haze Remover** can be reactivated by rewetting it with **All-Purpose Ink Wash**.

Features-at-a-Glance

- ▶ Advanced formulation
 - √ Reacts as it dries
 - √ Can be left on the screen for hours, or overnight, without harm to the mesh
 - √ Effective against most inks stains and stencil residues
 - √ Can be reactivated for difficult jobs (with **All-Purpose Ink Wash**)
- ▶ Easy to use
 - √ Apply it with a scoop coater—no brushing necessary
 - √ Let it dry on the screen—dwell time is not critical
 - √ Rinse it off with a power spray
- ▶ Environmentally friendly
 - √ Classified VOC-free
 - √ Biodegradable
- ▶ Shelf life
 - √ 6 months at 68° F. (20° C.)
